

HallChildCare

Dear Hall Residents

PROPOSED CHILD CARE CENTRE FOR HALL

On 23 March 2014, the Hall and District Progress Association will hold a community meeting at the Hall School grounds to discuss future uses of the Hall School site. The meeting commences at 3.00 pm.

A child care centre has been identified in a report commissioned by the ACT Government as a potential use of part of the Hall School site¹.

As residents of Hall Village, and parents of children who have attended the Hall Preschool, we believe that a child care centre will provide an important community service, and add value and life to Hall and district.

In summary, our proposal entails 3 options:

1. Renovating one or more existing structures to make them compliant with current building and child care regulations;
2. Removing one or more existing structures and building new structures; or
3. Building new structures on a part of the site not currently occupied by buildings.

In all scenarios, the renovations or new buildings will be entirely consistent with Hall's aesthetic and ACT Heritage regulations.

If you are unable to attend the meeting on 23 March, we would be happy to speak with you prior to the meeting. Whether or not you are able to attend, if you would like to convey your support in principle for a child care centre on the Hall School site, please send us an e-mail.

Yours faithfully

Louise Mason
